Mr. HUGHES, of West Virginia, from the Committee on Accounts,  
submitted the following

REPORT.

[To accompany H. Res. No. 97.]

The Committee on Accounts, to whom was referred House Resolution No. 82, have had the same under consideration and recommend the adoption in lieu thereof of the following resolution, to wit:

*Resolved*, That there shall be paid out of the contingent fund of the House one hundred dollars for additional clerical assistance to the Committee on Enrolled Bills during the remainder of the present session upon the certificate of the chairman of said committee.

The original resolution provided for the appointment of an additional clerk to the Committee on Enrolled Bills to be paid at the rate of \$6 per day from such time as he commenced to perform duty, to be ascertained and evidenced by the chairman of said committee. The resolution reported in lieu thereof provides for the expenditure of \$100 for such clerical assistance as the Committee on Enrolled Bills may find to be necessary during the remainder of the present session, and it is believed by your committee that such amount is sufficient and necessary. The tariff bill is yet to be enrolled and great care will have to be taken in the work.
